

50th Anniversary

Headmaster's Dinner Dance

Saturday 25th February 2012, from 7pm
Formans Fish Island, Stour Road, London, E3 2NT

In this special 50th Anniversary year, the Headmaster is delighted to invite our whole community to a special fundraising Dinner Dance in support of the HABS Foundation.

The stunning venue of Formans Fish Island located next to the Olympic Park has a reputation for fine food and excellent events. The evening is a black tie event and will start with a sparkling wine reception and music from the amazing Habs School Jazz Band.

There will be plenty of opportunity for dancing with the music provided by the band 'The New Honeycombs', playing all your favourite 60's classics. Special celebrity guests will also be joining us on the evening.

To book tickets (£99 per person) or to purchase a table of ten, please complete and return the form below with a cheque as payment. Tickets include a delicious gourmet three course meal and all your refreshments for the evening.

The event will also be raising funds for the HABS Foundation by auctioning a wide range of interesting opportunities and items, so don't forget your cheque book! We are also keen to find ten sponsors (eight @ £500 and two @ £1000) to support the event. If you feel you can contribute a lot for the auction or offer sponsorship, please do contact Dr Peter Spence on 020 8266 1964 or email him at spence_p@habsboys.org.uk.

We hope that you can join us for this highlight in the Habs 50th Anniversary Year.
