

Dear Parents,

Last year the Senior School launched the **HABS Sports Website**, which can be accessed via the Sports Website: [www.habsboyssport.org.uk](http://www.habsboyssport.org.uk). A link to the website can be found on the main school website.

The Prep School will be rolling out the new Sports system as follows:-

If your son has been selected to play for the school, you will receive an email from Prep Sport outlining the arrangements for the fixture. It is essential that you respond to this email within 24 hours of receiving it, failure to do so may result in your son being unable to play.

There will be an option on the email for you to select the following for your son's going home arrangements:-

1. Collect from Fixture
2. Collect from HABS School
3. Travel Coach

If your son is unable to play we expect 1 week's notice in writing to the Head of Prep Sport.

You can navigate to our Sports Calendar via the main menu, and then select the day you are interested in and then click the "Details link". This shows the venue and if we're playing away will have a link to the location map of our opponent's school. You can also see the team selected for the fixture wherever you see this blue image . Normally we announce team selections at least the day before and in some cases 48 hours before.

- From the Sports Calendar you can also click directly through to a team's fixtures & results listing by clicking the Team's Name. E.g. click on the "Boys - U11A" etc.
- If you are following a particular team or teams, you can also select **Sports & Teams Fixtures & Results** from the main menu. Then select a particular sport and your team to see **past results and upcoming fixtures**.
- From any team's Fixture list you can "Spy" on the opponents recent results by clicking on the spyglass button , or see the playing record by clicking on this button , or find their location by clicking on the map point button .
- From any team's Fixtures & Results listings you can also download the entire fixture list to your personal calendar on your PC or mobile device (such as an iPhone or iPad). Any changes we make to our fixtures will be synchronised with your personal calendar whenever you connect your PC or mobile device to the Internet.
- If you need to quickly find an away venue for one of our opponents you can either choose the map link directly from a fixture, available via the "details" button as described above, or you can select "Opponent Maps & Links" from the main menu.
- If you are visiting our sports website on your mobile phone you will notice it loads up as a Mobile Web App. Full instructions for how to get the most out of the Web App can be found online by clicking [here >>>](#).
